

Something Exciting is Happening at 1529 West Golden Lane!

You may have noticed some unusual activity happening at 1529 West Golden Lane. Perhaps you've been wondering what is going on in the neighborhood?

Wonder no more! **CANI Dream Homes** is excited to announce that as part of our ongoing effort to revitalize neighborhoods within the central corridor, we have selected 1529 West Golden Lane as our newest project!

What is CANI Dream Homes?

CANI stands for "Constant And Never-ending Improvement." We are one of the Phoenix area's leading home renovation specialists. We don't just buy and rehab houses – **we improve neighborhoods and increase property values.** We are a full-service real estate development company that has completed more than 100 projects.

CANI Dream Homes is led by Chris and Anette Brown. Chris is a long-time real estate investor who provides the management know how. Anette is a trained interior designer with an expert's eye for detail. Our homes use the latest technology, materials and methods to improve the quality of homes and neighborhoods.

Our business includes design, construction, development and investment. **We buy, renovate, list and sell homes.** We are always looking for our next project, and your next new neighbor!

We Love Our Neighbors!

When our project at 1529 West Golden Lane is complete, you and your neighbors will be invited to a special unveiling barbecue. Look for more details about this exciting sneak peek as we near project completion. Until then, feel free to contact us any time for any reason. **We look forward to hearing from you!**

Sincerely,

Chris Brown
